## INTERNSHIP

Worked at CA PINAL M. SHAH as an intern in the department of filing income tax return and personal finance for tenure of 2 months.

## PROJECTS

📅 2022-23

I have worked at a NOVA TECHNOCAST PVT.LTD. for 15 days in finance department for the purpose of making a final project of BBA on capital structure of the company.

📅 2023-24

**Streetonomics :-** The study of Local street vendors about their unorganized business, how they record their day to day transactions and manage their finance.

**Hackathon** – It's an accounting hackathon where we analyse the financial data of two different companies and compare the liquidity and solvency position of the companies.

**Statathon** -It was a statistical hackathon where we were analyse data and find descriptive statistics and forecasting techniques and regression and correlation analysis.

All these projects help me to enhance my knowledge and skills:

1. Teamwork
2. Communication skills
3. Time management

**Interests:** Finance, accounting
